

## RAMA DEVI WOMEN'S UNIVERSITY

### CERTIFICATE COURSE IN FOREIGN LANGUAGES

It is said that learning a foreign language makes you smarter. Constantly juggling different languages makes the brain more effective in multitasking, problem-solving and prioritizing tasks - that is the key need of the modern world. Learning a language is an exercise for the brain. Austrian philosopher Ludwig Wittgenstein observed:

*“If we spoke a different language, we would perceive a somewhat different world. Because the limits of my language mean the limits of my world.”*

Keeping the above utilitarian ideas of learning a foreign language, Rama Devi Women's University, Bhubaneswar, is offering certificate courses in French and German.
